

AFRICAN JOURNAL FOR THE PSYCHOLOGICAL STUDIES OF SOCIAL ISSUES

About the Journal

The African Journal for the [Psychological Study](#) of Social Issues is dedicated to the Scientific investigation of psychological and social issues and related phenomenon in Africa. The journal does not undertake to specify rigidly an appropriate domain of context, but intends rather to reflect current significant research of psychology and social issues. Although the journal primarily publishes reports of empirical research, other types of papers relevant to the development of an African view of psychology (such as theoretical analyses, literature reviews, methodological notes, observations on published articles etc.) are also sought. Volumes 1-15 can be [accessed HERE](#)
