

About The Book

This book is a collection of scholarly essays in honour of Professor Matiu Nwaneli Nworuka, Professor of French and Francophone African Literature. This book, written from African perspectives, features well-researched articles on language, education, second and foreign language teaching, Information and Communication Technology (ICT), French literature, African literature, culture and civilisation, literary translation, linguistics, critical discourse analysis (CDA), stylistics, sociolinguistics and the critical review of Nworuka's seminal book, *Etudes en littérature francophone*.
