PREFACE

This book contains the Proceeding of research papers presented at the First International Conference on ICT for National Development and Its Sustainability held between Tuesday 17th – Friday 20th April, 2018 at the University of Ilorin, Ilorin, Kwara State, Nigeria.

The conference was organized by the Faculty of Communication and Information Sciences, University of Ilorin.

In all, total of over (100) papers, including (3) lead papers were submitted. Apart from Nigeria, submissions were received from such countries as Malaysia, South Africa and China. The papers were subjected to a peer review process with respect to the actual content and the level of originality. The papers which appear in this proceeding were those that substantially met the set acceptance criteria.

I wish to appreciate all who contributed in one form or the other towards making this Proceeding a reality.

Thank you.
