ACKNOWLEDGEMENTS

This Final Report for the **End Electoral Impunity Project** is the product of teamwork, which makes some acknowledgement necessary.

At different stages of this Project, including during the public hearings, INEC participated and made presentations that proved invaluable; likewise the Political Parties Interparty Advisory Council (IPAC) and

representatives of some NGOs, NBA and political parties too numerous to mention by name. Their contributions towards this Report are much appreciated.

The Commission is particularly grateful to the Government of the Federal Republic of Nigeria for its continued investment in the independence and integrity of the Commission. We would also like to acknowledge our other partners, including Ford Foundation and OSIWA/DFID for funding the different aspects of this Project.

Particular thanks go to Mr. Saka Azimazi, the NNHRI-WA Co-project Manager, the NHRC Project Finance Team headed by Mrs. Victoria Okoroanyanwu who supervised the utilization of the resources to ensure maximum results and the staff of the Human Rights Institute of the NHRC all of whom have been supportive in this project.

Professor Bem Angwe, the Executive Secretary of the National Human Rights Commission (NHRC), provided the physical and moral encouragement for this undertaking. As always, the Governing Council, headed by the Chairman, Professor Chidi Anselm Odinkalu, must take the final credit for initiative in the quest for a truly democratic Nigeria underpinned by the rule of law.
